

# ACADEMIC ROADMAP

M.A. Biology

Fall 2023

## First Year (18 credits)

### FIRST SEMESTER

| Course Title                 | Catalog Number | Prerequisite(s) |
|------------------------------|----------------|-----------------|
| Foundations Graduate Studies | BIO 600        |                 |
| Biology electives            | BIO 6XX        |                 |
| General graduate electives   |                |                 |
|                              |                |                 |
|                              |                |                 |

### SECOND SEMESTER

| Course Title               | Catalog Number | Prerequisite(s) |
|----------------------------|----------------|-----------------|
| Biology electives          | BIO6XX         |                 |
| General graduate electives |                |                 |
|                            |                |                 |
|                            |                |                 |
|                            |                |                 |

### Notes and recommendations:

1. A minimum cumulative GPA of 3.0 (4.0 scale). The candidate may take no more than 36 credit hours to achieve this average.
2. A minimum of 30 credit hours. Courses in which a candidate earns a grade below C do not bear credit toward the degree but are calculated in the cumulative average.
3. A minimum of 15 credits needed in 600-level courses.

## Second Year (30 credits)

### THIRD SEMESTER

| Course Title               | Catalog Number | Prerequisite(s) |
|----------------------------|----------------|-----------------|
| Biology electives          | BIO6XX         |                 |
| General graduate electives |                |                 |
|                            |                |                 |
|                            |                |                 |
|                            |                |                 |

### FOURTH SEMESTER

| Course Title                   | Catalog Number | Prerequisite(s) |
|--------------------------------|----------------|-----------------|
| Research Thesis in Biology     | BIO695         |                 |
| -or-                           |                |                 |
| Capstone Experience in Biology | BIO699         |                 |
|                                |                |                 |
|                                |                |                 |
